

BIDS AND AWARDS COMMITTEE FOR INFRASTRUCTURE (BAC-I)

Re-Bidding for the Construction of Sewage Treatment Plant, Access Road, and Freedom Park in Bonifacio Capital District, Taguig City

BID BULLETIN NO. 4

This Bid Bulletin clarifies queries received by the BAC-I through email until 24 February 2021, and other matters relative to the Re-Bidding of the aforementioned project.

1. Queries/Questions by Prospective Bidders

Issues Raised	Clarifications
a. Is a completed Septage Treatment Plant acceptable as a reference for the project?	We still require a Sewage Treatment Plant instead of a Septage Treatment Plant since the intention of the project itself pertains to the construction of a sewage treatment plant.
b. Is the procuring entity really requiring the bidders and eventually the winning contractor to ensure the availability of the Nominated Equipment for the duration of the project?	The Statement of Availability of Equipment shall certify that the contractor commits the nominated equipment which may be owned, leased, and/or under purchase agreement for the project. However, utilization of all equipment will depend on the Contractor's construction methodology and schedule. Likewise, the TWG shall verify, inspect and/or test during post-qualification for the required capacities and operating conditions of equipment units to be owned/leased/under purchase by the bidder for use in the contract under bidding.
c. What type of design technology and requirements are needed for designing STP?	Please refer to Section VI Specifications of the bidding documents.
d. What are the structural detail plan requirements?	Please refer to Section VI Specifications of the bidding documents.

2. Other Clarifications

- a. Prospective bidders must have at least a Category A and License Classification Medium B either for General Engineering-1, **General Building-1**, General Building-2, or General Building-3 from the Philippine Contractors Accreditation Board (PCAB). The PCAB license must be valid and effective at the time of submission of the bid.

*Bid Bulletin No. 4 – Re-Bidding for the Construction of STP, Access Road, and Freedom Park in Bonifacio Capital District, Taguig City.
March 2021 / version 1*

- b. The Conceptual Design of Sewage Treatment Plant (STP) is not part nor required in the bid submission.
- c. The issued Supplemental/Bid Bulletins are not part nor required in the bid submission.

All provisions, conditions and statements in the bidding documents inconsistent with this Bid Bulletin are either modified or rendered ineffective, as the case may be.

Issued on 01 March 2021.
