

**BIDS AND AWARDS COMMITTEE FOR CONSULTANCY SERVICES (BAC-C)**

**CONSULTANCY SERVICES FOR THE DETAILED ARCHITECTURAL AND  
ENGINEERING DESIGN OF THE SECOND RUNWAY INFRASTRUCTURE PROJECT  
OF THE CLARK INTERNATIONAL AIRPORT**

**Bid Bulletin No. 07**

This Bid Bulletin clarifies queries received by the BAC-C through email until 13 September 2021, and other matters relative to the bidding for the aforementioned project:

1. Queries/Questions by Prospective Bidders

<b>Issues Raised</b>	<b>Clarifications</b>
<p>a. Whether or not the appropriate license, certification or training certificate for the engineers and planners as well as the DENR Accreditation in case of the Environmental Specialist will be submitted during the submission of Eligibility Documents on 20 September 2021. We understood from the Pre-Eligibility Conference that the supporting documents for the personnel will be submitted only during the submission of the Technical and Financial Proposals</p>	<p>In reference to Bid Bulletin No.1, at the Eligibility stage, the submission of supporting documents will not yet be required. However, shortlisted bidders are required to submit the said supporting documents during the submission of their Technical Proposal.</p>
<p>b. Whether or not the names and Curriculum Vitae of the support staff will be submitted during the submission of the Eligibility Documents as well as in the submission of the Technical and Financial Proposals. Our question is based on our previous experiences in bidding for consultancy services that only the key personnel are being submitted during the bidding because it is premature to hire support personnel at this time when the project is not yet awarded.</p>	<p>No. The names and CVs of the support staff are not required during the Eligibility Stage.</p>
<p>c. It is also mentioned in the Bid Bulletin that the Design Consultant to be nominated is</p>	<p>Yes. The Design Consultant is required to have previous experience in design, and supervision</p>

*Bid Bulletin No. 07 – Consulting Services for DAED of 2nd Runway of CIA  
September 2021/version 1*

<p>required to have previous experience in design, and supervision of pavement (runways, roads and other civil works) and construction works and, xxx. Since the project at hand is for design consultancy services, is it really necessary for the key personnel to have previous experience in all these areas? Are the key personnel not qualified if he/she has significant and related design experience only?</p>	<p>of pavement (runways, roads and other civil works) and construction works and, as well as having the xxx minimum qualifications and experience amongst its team members, pursuant to Section 17 of the Terms of Reference (TOR). There is no change or amendment to this portion of the TOR.</p>
<p>d. Following Bid Bulletin # 6, we would like to clarify the position of the Deputy Project Manager /Senior Aerodome Engineer and Pavement Engineer – Can these positions be held by 2 persons? One with local /PRC licensed experience and the other one with full airport expertise? Please clarify if the PRC/ foreign license or certifications would either be compliant to these positions</p>	<p>The bidder must have one (1) key personnel nominated for each position and that nominated key personnel must not be nominated to another position. Nomination of two persons for one position is not allowed.  All Key Personnel of the Design Consultants must have their respective Valid Licenses issued by the Professional Regulation Commission (PRC). This clarifies “17.0 Manning Requirement” in Bid Bulletin No. 6.</p>

2. Bid Bulletin No. 6 states that the changes/revisions in the provisions/specifications of the TOR for the Project do not in any way affect the requirements or rules for Shortlisting of Bidders (Stage 1). The revisions under Bid Bulletin No. 6 are on the TOR which merely clarified either technical requirements and Manning Requirements as well as re-iterates Disclosure of Relations provided for under RA 9184.

All other related provisions in the Terms of Reference, Bidding Documents or previous Bid Bulletins correspondingly affected by these amendments are likewise deemed amended to conform to this Bid Bulletin.

Amendments made herein shall be considered an integral part of the Bidding Documents.

Issued on 13<sup>th</sup> day of September 2021.
