QUERIES	CLARIFICATION/S
1. Is there a template for the Certificate of Authenticity, like a sample of the form?	There is no particular template of the Certificate of Authenticity but there are certifications provided by the International Sports Federations (ISF). If the suppliers are recognized by ISF, there is no problem getting the certification.
2. For the SLCC, can the contract of sports equipment with flooring be considered?	<p>In the evaluation of the SLCC, only the completed similar projects will be considered and computed. The Flooring project in this case is not a similar project, therefore, its cost will be excluded in the computation of the SLCC. In this case, the Prospective Bidder must submit a Bill of Quantities (BOQ), detailed cost estimates and other related documents for the similar Project, and the sum of the cost of Sports Equipment must be equivalent to the amount required in the Bidding Documents.</p> <p>To reiterate, the Bidder must have completed a single contract that is similar to the project, equivalent to at least fifty percent (50%) of the ABC; or at least two (2) similar completed contracts with the aggregate amount equivalent to at least fifty percent (50%) of the ABC and the largest of these similar contracts must be equivalent to at least half of the percentage (25%) of the ABC as required above. The similar contract shall have been completed within <b>ten (10) years (April 2012 to April 2022)</b> prior to the date of submission and receipt of bids.</p>
3. Regarding the Omnibus Sworn Statement, will there be a template, or we provide our own?	There is a template in the bidding documents issued for this project, found in the BCDA website and Philgeps website.
4. Is there a brand requirement and color coding for the equipment?	<p>The brand must be at least 5 years old and 5 years in the market.</p> <p>It must be a known brand in the (International) Market. For any Competition Equipment, they must be certified by the specific Sport's INTERNATIONAL SPORT FEDERATION (ISF) as a Technical Partner or Authorized Brand for Competition as evidenced by a Certificate from the respective ISF (ex. FIBA for Basketball, FIVB for Volleyball, WBF for Badminton, etc.) or was</p>

	actually used in a major ISF Competition (i.e. Olympics, World Championships, Asian Games, etc.). The Equipment Color should also adhere to ISF standards if so required. If the ISF has no required color, the equipment may be light gray.
