

**PROCUREMENT OF MATERIALS FOR THE CONSTRUCTION OF PATROL ROAD BETWEEN
PRIMARY AND SECONDARY FENCE AT CLARK INTERNATIONAL AIRPORT**

BID BULLETIN NO. PRM-2017-001

This bid bulletin clarifies the queries raised during the Pre-Bid Conference for the Procurement of Materials for the Construction of Patrol Road held last 6 July 2017, and other matters relative to the bidding.

1. Queries/Questions by Prospective Bidders

Issues Raised	Clarification/s
1. Whether the bidders can submit only one (1) set/envelope for eligibility requirements and one (1) envelope for Financial Proposal regardless of the number of lots that they will bid for.	Each bidder shall submit one (1) original and one (1) copy of the first and second components of its bid regardless of the number of lots that the bidder will bid for. There shall be two big envelopes -- the original and the copy. Inside each of the two big envelopes are two small envelopes --- Eligibility Documents and Financial Proposals. The Financial Proposal of the bidder should be indicated as per lot.
2. Whether the Audited Financial Statements need to be certified by BIR and whether the bidders are required to submit the original.	The Audited Financial Statements should be stamped received by BIR and certified as True Copy by the bidder's authorized representative. However, the original document shall be validated during the Post-Qualification Evaluation.
3. Whether the bidders can still participate in the bidding even if the PCAB License has expired.	The PCAB License is not required since the bidding at hand is under BAC for Goods.
4. Whether the bidders under the Blue PhilGeps Registration can join the bidding.	The bidders will be rated <u>failed</u> during the eligibility check if their PhilGEPs Certificate is under Blue Membership. GPPB Circular No. 03-2016 dated 27 Oct 2016 states that, "Starting May 1, 2017, bidders will be required to submit their PhilGEPs Certificate of Registration of Membership under Platinum category during eligibility check or bid submission...".

The clarification in Item #4 above also addresses the query raised through e-mail by interested bidder Kawaii Onna Construction Phils., Inc.

2. Further/Other Clarifications from the BAC

- a. BCDA shall assist the winning bidder in securing the necessary permits for the delivery of materials inside Clark, Pampanga.

- e. The bidders have to purchase the bid documents before they are allowed to submit their bids. They can still purchase the document until the day of submission.
- f. The computation of the bid security shall be based on the Approved Budget for the Contract (ABC) per lot if the bidder will not opt to submit the Bid Securing Declaration.
- g. The bidders may opt to submit a notarized Bid Securing Declaration as its bid security. It is important to note, however, that although the Bid Securing Declaration does not require cash, its enforcement shall include automatic blacklisting and payment of certain fines in the event that the bidder violates any of the conditions set forth in the bidding documents.
- h. The bid should not be more than the ABC, otherwise the bidder will be disqualified.
- i. NFCC Computation should be based on the Audited Financial Statements for the year 2015 or 2016 whichever is available, using the computation provided in paragraph 5.5 of the Instruction to Bidders, and should be equivalent to the Approved Budget for the Contract (ABC).
