

Bidding for the Construction of the NCC-to-SCTEX Access Road Project

Bid Bulletin No. 9

14 March 2018

Pursuant to Resolution No. SBAC-NCC-2018-001, Bidder with Lowest Calculated Bid (LCB) shall undergo Post-Qualification to determine whether the bidder concerned complies with and is responsive to all the requirements and conditions as specified in the Bidding Documents.

Said post-qualification activities include inspection of equipment and assessment of completed and on-going projects. Due to the distance of the equipment and projects (some of which are in Northern Luzon and some in the South), post-qualification activities are taking longer than anticipated.

Hence, the schedule of remaining activities for the subject bidding has been adjusted as follows:

	ACTIVITY	DATE
1	Post-qualification & Deliberation	13-21 March 2018
2	Issuance of Notice of Award	23 March 2018
3	Contract signing and posting of performance security	on or before 03 April 2018
4	Issuance of Notice to Proceed (NTP)	on or before 03 April 2018

This Bid Bulletin effectively amends, modifies or revises provisions of the TOR/Bidding Documents and previous Bid Bulletins, which are inconsistent or contradictory thereto.

For the information of all concerned.
