**1. Queries/Questions by Prospective Bidders**

<b>Issues Raised</b>	<b>Clarification/s</b>
1. Request to extend/lengthen the delivery date/schedule to 120 days (equivalent to 4 months) instead of 3 months as indicated in <i>Section VI. Schedule of Requirements</i> of the Bidding Documents	In consideration of the valid reason/s cited, particularly the tight schedule of activities connected to the Christmas season for the month of December, the required schedule of delivery date is being amended to 120 days, or four (4) months, from receipt of Purchase Order.
2. Whether all bid documents are required to be notarized.	The bid forms/documents that must be notarized before submission to the BAC for the Opening of Bids are the following: Omnibus Sworn Statement, Bidder's Representative Authorization, and Bid Securing Declaration.

**2. Other Clarifications from the BAC**

- a. Below is an illustration of a more detailed description of the Boom Truck, which is actually a "truck with drop side body mounted with crane":

- b. Corrections on the posting in the PhilGEPS website for pages 65 and 71 under *Section VII. Technical Specifications* of the Bidding Documents, as follows:
- 1) The *Technical Specifications Compliance Form* on page 65 should have the “signature over printed name” of the Bidder’s Authorized Representative (please see attached copy of the Form);
  - 2) In the *Bid Form* on page 71, the first paragraph should be stated as: “Having examined the Bidding Documents including Bid Bulletin Numbers [insert numbers], the receipt of which is hereby duly acknowledged, we, the undersigned, offer to **Supply and Deliver One (1) Brand New Unit of Three-Tonner Boom Truck** in conformity with the said Bidding Documents for the following specifications xxx”.

- d. The bidders must be registered with PhilGEPS under Platinum Membership, otherwise the bidders will be rated failed which shall result in declaring them as “ineligible”. **However, per GPPB Circular No. 07-2017, prospective bidders may opt to submit their PhilGEPS Certificate of Registration or their Class “A” Eligibility Documents, or a combination thereof, during the bid submission. The Platinum Membership remains as a post-qualification requirement.**

- f. The bid bulletin shall be posted in PhilGEPS and BCDA websites on **11 December 2017**. However, only those who purchased the bidding documents are entitled to directly receive a copy of the Bid Bulletin by email.

- i. The bidders may submit a notarized Bid Securing Declaration in lieu of other forms of bid security. It is important to note, however, that although the Bid Securing Declaration does not require cash, its enforcement shall include automatic blacklisting and payment of certain fines in the event that the bidder violates any of the conditions set forth in the bidding documents.
- j. The bid should not be more than the ABC, otherwise the bid shall be automatically rejected.
- k. NFCC Computation should be based on the audited Financial Statements for the year 2015 or 2016 whichever is available, using the computation provided in paragraph 5.5 of the Instruction to Bidders, and should be at least equivalent to the ABC.
