**PROCUREMENT OF CONSULTING SERVICES FOR THE PRODUCTION OF THE  
CLARK CAMPAIGN VIDEO**

**Bid Bulletin No. 01**

This Bid Bulletin clarifies queries/questions raised during the Pre-eligibility Conference held on 22 July 2024 pertaining to the above-cited consulting services.

**I. QUERIES/QUESTIONS BY THE BIDDERS**

Queries/Questions	Clarifications/Responses
1. Can we email the Eligibility Documents or only hard copies are acceptable?	No. The softcopies of Eligibility Documents that are submitted via email will not be accepted. Submissions must follow the required formats based on published/posted/issued bid documents.
2. On the submission of the technical proposal, would the conceptualization include a storyboard, the director's treatment, and other visuals?	Yes.
3. Is sub-contracting team members allowed (e.g. outsourcing Producer, Director, etc.)?	Yes. Outsourcing of members for the production team is allowed for this project. The member doesn't necessarily have to be an employee of the agency/firm.
4. This refers to the Conflict of Interest specified in the bidding documents.  Consultants are discouraged from including officials and employees of the Government of the Philippines (GoP) as part of its personnel. Participation of officials and employees of the GoP in the Project shall be subject to existing rules and regulations of the Civil Service Commission.  So does this encompass All government agencies on top of BAC, BCDA? Example: DTI, DBM, etc.	Yes. The provision on Conflict of Interest is stated in ITB 2.5, thus:  <i>"Consultants are discouraged to include <u>officials and employees of the Government of the Philippines (GoP)</u> as part of its personnel. Participation of officials and employees of the GoP in the Project shall be subject to existing rules and regulations of the Civil Service Commission."</i> (Underscoring supplied.)  It covers all officials and employees of the government and not only those with the Procuring Entity.

<p>5. On the technical requirements, should we submit the video concept, storyboard, etc. along with the technical requirements, or should we just present it during the allotted time of the presentation?</p>	<p>The required proposed concept is part of your technical proposal submission, so it will be turned over to BCDA for evaluation. It is the same document that will be presented in your oral presentation.</p>
